## ABOUT US

Great ventures start from small beginnings, faith and believe.....

We partner with Indian and international companies to bring their products to consumers across the emerging markets. Besides Product Sales, we provide after-sales service support to clients. Our company enjoys an excellent tie-up with major brands of IT and Non-IT products. That is achieved through unswerving trust and mutually beneficial partnership. We are Dealer for IT brands like Lenovo, Dell, HP, Acer, Brother, Llyod - Havell for white goods and Brio-Interactive Digital Solutions.

We always put efforts to update ourselves as per the latest technology to provide the best solution to our customers by which one can implement an easy but effective IT-infrastructure. We are equipped to explore new opportunities across a wide range of products in IT-Non IT sector and Digital solutions.

We have high experience due to familiarity with the wide range of models and brands acquired. Our engineers have developed the skill to repair all brands due to skilled, experienced, trained manpower. We believe in quality, transparency and trust in business with clients.

At Radhe Digital we are ready to expand our horizons with a new zeal, identity, and impetus.

We would like to convey our feelings of gratitude to all our customers and organizations who have extended their support and faith in us which has helped us to grow.

This is just a beginning, there are miles to go.....

We deliver Excellence, Trust, Transparency  
and Productivity through Our Products and Services.
